Live Music and Dance Featuring:

Blistered Fingers, an awesome, fast paced, traditional Bluegrass band that cranks out incredibly enthusiastic music. They deliver high-energy music and a truly superb stage show, which will long be remembered by those present.

Wilf Clark & The Misty Mountaineers, a traditional hard driving Bluegrass act had their beginnings in 1975, and have been a fan favorite ever since. They perform every year at The Blistered Fingers Festival in Sidney, and members of The Old Tyme Jamboree in Saint Albans.

Le Famille LeBlanc started out in 1991 working hard to improve their sound while remembering family first and stressing the importance of having fun. No matter where they are in the world, their music always brings this family together.
